

EDUCATION

Rebecca Adlington
Opening the Pool

NORTHAMPTON SCHOOL FOR BOYS

We are proud to announce that the new 6 lane, 25 metre competition swimming pool, dance studio and fitness suite is now complete at Northampton School for Boys. The pool was declared officially open by Olympic Gold Medalist Rebecca Adlington. The swimming pool is

a 2 metre deep competition pool with a 9 metre long movable floor. The dance studio and fitness suite is linked to the existing sports hall to provide a flexible teaching space that can open out in to the foyer for events.

STAMFORD ENDOWED SCHOOL

the art Performing Arts Centre and Music Block facility, complete with new extension and new external façade and external works.

We have also completed another education project for Stamford Endowed School acting as Quantity Surveyor. The existing gym and music block has been refurbished

into a new state of

BEDFORD GIRLS' SCHOOL

Following the successful merger of Bedford Girls' School and library refurbishment, we are delighted to have been appointed as

Project Managers, Quantity Surveyors and CDM-C on a new changing room and sports pitch facility at the school.

HAMPTON BROOK, Milton Keynes

the 1st and 2nd floors including the stairs and toilets.

Goodrich has completed the office refurbishment at Moorgate House in Milton Keynes for Hampton Brook. The works comprised the refurbishment of the open plan office spaces on

OFFICES

Works have started on a new two storey head office block in Wolverhampton for ACS&T Logistics the leading provider in temperature controlled storage.

ACS&T, Wolverhampton

HEALTHCARE

MedicX

We have been appointed as Client Monitor on the refurbishment of an existing building and construction of a new extension to create a new 53 Bed Care Home in Heswell for Medicx, a leading multi-fund investor in and developer of healthcare property in the United Kingdom.

MAGNUM CARE, Hinckley

We have completed a new 72 bedroom nursing home. This is the first new build project for Magnum and needed to be managed within a very tight budget. We achieved this and successfully built a spacious and well considered home, with a build cost that is well below the industry benchmark.

BUILDING THE FUTURE..

NEW RECRUITS

THE GOODRICH SPINATHON!

Goodrich took on a 2 hour spinathon in September 2014 to raise money for Cynthia Spencer Hospice in Northampton. Members of the Goodrich Team took on this challenge with no rest breaks just pure hill climbing and sprinting for 2 hours solid. There was plenty of sweat and a few tears to say the least! We are very proud to say that we raised £3000 for Cynthia Spencer Hospice and would like to say a huge thank you for all the donations we received. We were overwhelmed by everyone's generosity.

WEDDING BELLS!

Our newest recruit Jordan Melay tied the knot with his fiancée Ilona in December then jetted off to Mexico for a few tequilas on their honeymoon!

THE SWANBOURNE ENDEAVOUR

Congratulations to Laurence Alden and Paul Riley for completing the 10k Swanbourne Endeavour. A gruelling obstacle course with lots of muddy puddles and barbed wire to contend with! (as you can see from the picture above!)

REVVING THEIR ENGINES

In September 2014 the Goodrich Team along with our Clients and Consultants revved their engines around the Daytona International Circuit in Milton Keynes. The afternoon was enjoyed by all even though some dirty tactics resulting in some minor injuries! Congratulations to Max Darby, Jordan Connachie and Richard Bowen for finishing on the podium!
